

Energy Tech High School Hack-O-Lantern Village

Please join us for ETech's 7th annual **Pumpkin Hacking Event** with themed jack-o-lanterns that come alive from our 12th Grade Advanced Engineering students!

Interact with and **vote** for your favorite pumpkins that light up, scream, spit venom, snore bubbles, sling spiderweb, strum guitars, shoot hoops, chase honey, play a game show, eat cookies, angelically glow, and pass out bowls of candy!

WED 10/29 AFTER

SCHOOL!

Wednesday 2:15 - 4:00
