

Energy Tech High School Hack-O-Lantern Village

Please join us for ETech's 8th annual Engineering showcase that includes robots, energy projects, and themed jack-o-lanterns that come alive from our Engineering students!

Interact with and **vote** for your favorite pumpkins that light up, scream, pop out eyes, scare rats, score soccer goals, play Fortnite, jumpscare bears, predict your future, and pass out bowls of candy!

WEDNESDAY, 10/28

(2:15 - 3:45)
